ANNOUNCEMENTS

Food for the Soul: We will be feeding the homeless at Trinity Lutheran in Cleveland on February 19. Donation needs and volunteer opportunities will be available January 30.

Directory Info: See Carmen Gordon or Steven Krivos before or after worship services to ensure your family's information is up to date and accessible for our directory.

Eggs for St. Kitts: To continually save money for the St. Kitts ministry opportunities, Rick and Regina Thompson have generously donated extra eggs from their chickens. When eggs are out in the Narthex, put a donation in the jar and grab a dozen (or more)!

Keep us informed. If you or one of your family members find yourself ill, home bound, or in the hospital and would like a phone call or visit from Pastor (or an elder), please contact the church office. We would rather hear from people multiple times than not hearing anything at all.

The St. Mark App has arrived! This week you should receive an email inviting you to join our online directory for members as well as be included in other aspects of our new software. Please contact the church office (330-225-3110) or Steve Krivos (216-849-6182) with any

questions or concerns you may have.

CONNECTING

Welcome Guests! If you are a guest with us today, thank you for visiting. We'd like to connect with you! During this time we ask you to talk to an usher or elder to get us your information and let us know what ministries you are interested in. We're so glad you're here!

Pew Pad Update: With the roll out of our new app and church software, we will no longer be using pew pads for attendance. Please sign in with your app or one of the tablets in the narthex. An elder, usher, or greeter can assist you.

Prayer Chain: Prayer requests can be made by filling out the blue forms in the pews and dropped in the offering plate, on the church app, or to contact the church office directly during the week.
